Direct Teaching Vs. Inferred Teaching

1 CD (#CD1643) or 1 Tape (#1643) \$5

This is an important message. False teaching and error have to rely upon "inferred teaching" from the Bible. In this insightful message Wayne shows us how to recognize and appreciate "direct teaching," the straight-forward, contextual, plain truth of the Bible. This alone, Rev. Monbleau says, knowing direct teaching, will keep you Christ-centered at all times, scripturally, and will also keep you on track with the truth of the whole Bible, empowering you to avoid error and false teaching. Wayne highly recommends this message for all.

What's On The Table?

1 CD (#CD1623) or 1 Tape (#1623) \$5

This is a heart cry from God to His Own people to draw closer to HIM. Wayne shares a vision he experienced of a long table in a room with Jesus at one end and the believer at the other end. "What's On The Table?" is exactly everything we think about and involve ourselves in, in our lives. If there is much on the table it causes the table to become very long and thus Christ becomes smaller and further away. The challenge, the call of God is to get as close to the Lord as possible, to shorten and ultimately eliminate the table.

Matt. 27:9 - Jeremiah, Zechariah, Judas & The New Covenant

"Then that which was spoken through Jeremiah the prophet was fulfilled: 'And they took 30 pieces of silver, the price of the one whose price had been set by the sons of Israel; and they gave them for the Potter's Field, as the Lord directed me.'" Matt. 27:9-10

This is an amazing and blessed study, all started by a phone call Wayne received over "Let's Talk About Jesus" from someone who wanted to know why Jeremiah was mentioned in Matthew 27:9 when, in fact, it was the prophet Zechariah who was quoted. This "apparent contradiction," when looked at in detail, actually reveals a greater depth of understanding concerning Judas' betrayal of Jesus, God's foreknowledge of it, and God's prophetic plan of reconciliation that He gave to Jeremiah, which Zechariah commented upon and which was ultimately fulfilled at the cross.

Why "If My People" Is Yesterday's Message & Jesus Christ Is Today's Message

1 CD (#CD1642) or 1 Tape (#1642) \$5

Why is it that so many harken back to the Old Testament, presuming that as God once dealt with the nation of Israel is how He wishes to deal with America now, when in fact God has delivered a New Covenant to us through His Own Son, our Perfect Messiah? Why this colossal mix-up and misunderstanding? Wayne delivers an inspiring, uplifting, yet cutting edge challenge for God's body to truly understand and respond to the Gospel of Jesus Christ as God's present day, present way of changing lives and culture. The challenge is for us to place Christ first, not in name only but in the fullness of His Gospel, trusting in His truth His way.

A Straightforward Gospel Or A Twisted Gospel

3 CDs (#CD1634) or 3 Tapes (#1634) \$15

In this passionate three message series advocating for the Gospel of the Scriptures, Rev. Monbleau shows us how to avoid the many current-day "twists" that are being constantly added to Christ's Gospel which ultimately weaken our pure testimony of Jesus while confusing the unbelieving world around us as to what, exactly, we believe about Jesus Christ. This series is a pure and full call to the true Gospel, the biblical "Good News" of Jesus Christ that Father God has committed to us.
